

Earn from every store *you bring to Atomato*

Atomato adds a bell to a Shopify store's header. It opens a feed of launches, product picks shoppers can add to cart, and email and SMS sign-ups that go straight into Klaviyo, Mailchimp, Omnisend or Drip. It connects to the tools your clients already run.

WHAT YOU GET

20% for 12 months

- 20% of each client's plan for their first 12 months, and 30% once you have 5 paying clients.
- Free Enterprise+ on your own store or demo store, so you can show it to clients.
- Your clients get 30 days free from the day their first campaign goes live, and our team sets it up with them.
- A partner listing and co-branded case studies when your clients see results.

WHAT A CLIENT EARNS YOU

Starter, free	\$0
Scale, \$49.99 a month	about \$10 a month
Enterprise+, \$149.99 a month	about \$30 a month
Custom plans for larger stores	20% as well

Ten Enterprise+ clients earn you about \$300 a month, or about \$450 at 30%. We pay quarterly, once a client's 30 free days end and their first payment clears.

RESULTS FROM LIVE STORES

+35.1%

revenue per visitor at Heights, tested against a control on its Biotic+ product page.

\$92,749

from 1,539 orders through the feed at Ninja Transfers in 90 days, with no discounts.

1,256 emails

captured at YES in 90 days, and 757 orders used the signup code.

HOW IT WORKS

1

Register the client

Message us before they install. We confirm within 2 business days.

2

We send your partner link

Your own install link, tied to your agency.

3

The client launches

30 days free from their first campaign, with our setup help.

4

We pay you quarterly

20% of their plan for 12 months, with a statement for every payout.

How the program *works*

The full rules, so you know exactly what you earn and when.

COMMISSION

20% of the client's plan for 12 months

- Taken from what the client pays for their Atomato plan, excluding tax and refunds.
- The 12 months start at the client's first paid charge after their 30 free days.
- It stops if the client cancels.

THE 30% TIER

Once 5 of your clients are paying at the same time

- Checked at the end of each quarter.
- From the next quarter, 30% applies to all your clients.

REGISTERING A CLIENT

Tell us first, and the store is yours

- Message us with the brand's name and store before they install. We confirm within 2 business days and send your partner link.
- A registration holds for 90 days until the client installs.
- The first agency to register a brand gets it.
- Brands already using Atomato don't count.

PAYOUTS AND STATEMENTS

Quarterly, in USD, by PayPal or Wise

- Paid within 15 days after each quarter ends.
- Each payout comes with a statement listing every client, what they paid and your commission.
- Amounts under \$50 roll over to the next quarter. Refunds come off the next payout.

FAQ

Who can join?

Shopify agencies with at least one active DTC client.

Do my clients pay more?

No. They pay our standard plan prices, get 30 days free from the day their first campaign goes live, and our team sets it up with them.

What does the demo account include?

Enterprise+ on one of your agency's stores, free for as long as you're a partner.

What does Atomato connect to?

Klaviyo, Mailchimp, Omnisend, Drip and SKIO today. It connects to the email, SMS and subscription tools your clients already run.

Ready to join?

Email support@atomato.co with your agency's name and website. We reply within 1 business day.
